PENNSYLVANIA STATE SOCIETY — CHILDREN OF THE AMERICAN REVOLUTION

Volume XXIX

July 1974

No. 1

Dear C.A.R. Members:

Another year has begun for Pa. CAR'S. As State President, I would like to congratulate my State Officers on their election, and also I would like to congratulate all new Society officers who were elected for the year. I am very happy to say that this year's board is very energetic and enthusiastic and ready to make Pa. No. 1. I hope the rest of you members will help us to become the No. 1 State Society.

Along with this year, comes a few changes. Instead of the 20 committees we used to have, we now have 9--many are old ones, but a few of the old ones were combined to form the new ones. The committees are: National Heritage, Conservation, Membership, Mountain Schools, American Indian, National Merit Award, Publications, Publicity, Government Studies. Penna. is planning a State Workshop to be held at Central District in August. It will be held to familiarize Pa. members with the National Packet.

I was so happy to see so many Pa. members at Eastern Regional in Towson, Md. Penna. had the largest representation with 22 members in attendance.

This year's theme is "America is a tune, it must be sung together. To live is good, To live vividly is better, To live vividly together is BEST."

HAVE A GOOD YEAR IN C.A.R.

SINCERELY IN CAR

DEBBIE WHITAKER
State President

The father of Carla and Warren Gould, members of Conemach Society, died very unexpectedly July 18. Pennsylvania members of C.A.R. and friends express their deepest sympathy to the Gould family.

Dear Members:

As your new Senior State President, I wish to extend personal greetings and say "thank you" for the opportunity to serve you. I only hope that I can fulfill the position and also will say that Pennsylvania will only be as strong as you and I can make it. With hard work, fun, and co-operation we can make Pennsylvania's name come thru LOUD AND STRONG.

The National Society has reduced our National Committees to nine. In view of this fact, Debbie and I have decided to name one Chairman for each Committee with a member from each District. We do hope this will involve more people and perhaps make us a little stronger.

With our new Officers and Committee members, we hope to keep everyone informed. Please see that all people in your Society knows the objectives and activities for the year. Also, it is not too early for C.A.R. members to start saving their pennies and dimes for State and National next spring.

I want to say "Thanks" to Pennsylvania members who attended Eastern Regional at Towson, Maryland. Pennsylvania led in attendance of members. Western District was hosted by Presque Isle Society and again we had a good attendance. Let's keep up the good work. See you next at Central District on August 10.

MRS. DONALD MOHR
Sr. State President

FALLING SPRING SOCIETY

The Falling Spring Society held its annual installation of officers at the home of the Burkeys on Sunday, June 9. The following were installed: President, Michele Wargo; Vice President, Kathleen Cook; Chaplain, Marlinda Markley; Secretary, Patrice Gabler; Treasurer, Robert F. McNeill III; Registrar, John E. Condon.

Mrs. Burkey, Honorary Senior National Vice-President, installed the officers and the newly appointed Senior Society President, Mr. Raymond D. Barnhart as well as the Senior Vice President Miss Suellen A. Burkey.

CONGRATULATIONS TO MRS. BURKEY

On Thursday, June 13, 1974, Mrs. Thomas G. Burkey was presented a Freedoms Foundation Valley Forge Teacher's Medal by Thomas G. Stouffer, Principal of the Central Junior High School at the annual Franklin County Chapter DAR's awards dinners.

Mrs. Burkey has taught at Central for 16 years and has been Chairman of the English Department for the past four years. She has served in the capacity of Dramatics Coach, Advisor to the TRI-HI-Y Club, plus many other duties in the school system. The award is given for excellence in teaching as well as teaching the ideals of good citizenship and patriotism.

The award is a medal shaped like a dogwood blossom and a plaque states that:

"The self-effacing, strenuous work of teaching, with humility and enthusiasm, the tenets of individual responsibility, personal liberty, and love of country is a noble task chosen by free men and women.

Freedoms Foundation at Valley Forge is privileged to convey this recognition to one who has made a notable patriotic contribution to youth in the highest tradition of our free Nation.

The dogwood design, emblematic of the profound teachings of the Father of our Country, George Washington at Valley Forge symbolizes fidelity to constitutional principles and personal integrity.

Long after this medal is laid away and the language of this citation forgotten, the values of this awardee's work toward the pursuit of human dignity will live for the future through

the lives and actions of boys and girls grown taller and older."

HOW DO WE DRESS

"You never get a second chance to make a good first impression." It is important how we look when we attend C.A.R. functions.

As many members recall, two years ago at the National convention the dress code was discussed and it was decided the dresses for girls, dress shirts, ties and jackets for boys when on the convention floor. Penna. has always followed the above rulings and will continue to do so.

It is true when traveling a long distance it is more comfortable to travel in "jeans" or a pant suit. Bring a dress along, stick a necktie in your coat pocket for there is always a rest room that you can change before the meeting begins. This applies to National, State conventions, and State district meetings.

To look sharp, we think sharp, and are sure of ourselves for we are confident we have put our best foot forward.

STATE PROJECT

The State Project for this year is to buy an outdoor identification sign for the Johnstown Flood museum. The museum has no identification sign at the present time and is in real need of such a sign. The total cost is \$213, which means each district must raise \$75. Doug Mohr, Western Dis. V.P. presented his money making project at Western District. Westerners save your glass for the recycling plant.

A sign of this type will put Penna. State Society C.A.R.'S name in the eye of every passer-by. What better way can you advertise C.A.R.?

C.A.R. MAGAZINE

There has been much discussion about the C.A.R. Magazine. True it is not what was in the past. An explanation was given in the first issue, which we would like repeat. The cost of publishing such a magazine was prohibitive, the fund for this project is depleted and then some. What can you do about it. Give us a good meat article on the National theme "Your Government-Your Responsibility," or on your State theme "America is a tune, it must be sung together."

14th Western District Meeting

The 14th Annual Western District Meeting was held at the Sheraton Motor Inn, Edinboro, Pa. on Saturday, July 13, 1974. The Presque Isle Society was our host. The meeting was opened by Mrs. Donald L. Mohr, Senior State President, who presented Douglas L. Mohr, Western District Vice-President who presided.

After the opening session the members had a round table discussion led by Debbie Whitaker, State President and members of her board. The seniors went to another room and held a separate discussion of their own. Following the discussion we enjoyed the lunch followed by a trip to Waterford, Pa., where members enjoyed watching Heritage Days Celebration.

State Officers and Chairmen attending were: Debbie Whitaker, President, Second V. P. Sue King, Recording Sec., Betsy Whitaker: Organizing Sec., Anne Sweeney: Corres. Sec., Ann Bachman: Treas. Don L. Mohr, Jr: American Indians, Curtis Cox: National Heritage, Kitty Engstrom: Publications, Mardel Beckly: Senior Officers attending were Mrs. Donald L. Mohr, Mr. and Mrs. Sam Wilson, Mrs. Robert Alworth, Mr. and Mrs. Mervin Whitaker, Mrs. William Sweeney.

Thanks to all who helped me in any way.

Sincerely,
Doug Mohr

WHAT ARE YOU DOING? ? ? ? ?

What are you doing about increasing your membership??? One of the most important facets of the National program is membership. Penna is definitely going to increase their membership this year from 813 to 1,000.

Many workable suggestions were given at Eastern and Great Lakes Regional meetings. Let's try some of these suggestions for they really do work. How do you find a prospective member. Visit your D.A.R. and S.A.R. meeting ask for a few minutes to speak. Be positive your approach, give to the members of the group a form, which will be made available to you at the Workshop August 10, insist they write down names of prospective members.

Have a booth at your County Fair, advertise C.A.R., explain what the organization is all about.

Local societies sponsor an Art Contest, open to the public to artists of C.A.R. age. When enteries arrive, talk to the artist, get him interested in C.A.R.

How about a softball game in your area, sponsored by your local C.A.R. Society. Get to know the participants.

A sing-a-long with an outstanding, around well-known personality as leader. After the sing-a-long FOOD NATURALLY, and a talk about C.A.R.

Spot announcements on your local radio station.

Hit your prospective members with a real shocker, such as "How would you like to join us in a visit to "Poop" city. The mayor of "Poop city" is conducting a tour. Believe me your prospective member will not only be shocked, but so inquisitive he will never say NO. A tour such as this, as gruesome as it may seem, can hit three birds with one stone Government Studies, Membership, and Conservation.

If you don't know what we are talking about, watch for the next issue of the Kaper

Don't neglect your prospective members. Make them active even before their papers have been processed, such as a banana bonanza. Have each prospective member bring something for banana split, such as a banana, a jar of chocolate syrup. Clue your members before the meeting, have the prospective members be the center of action.

Come on Penna. we can do it. 1,000 is our GOAL.

PENNSYLVANIA DISTRICT MEETINGS:

AUGUST 10 -- Central District -- George Ross Society, Lancaster, Penna. All State Officers, State Chairmen and Society Presidents are urged to attend this meeting. The afternoon will be in the form of a workshop to explain the National packet. Members that have attended at least two Regionals have volunteered to be discussion leaders. Much will be gained through this workshop.

OCTOBER 12-13--Eastern District As we go to press we are not sure of the society that will host this event, although a full week-end has been planned. Saturday will be the Eastern District meeting. Saturday evening a Fashion Show will be hosted by Brandywine Society. Members of C.A.R. interested in modeling for the show please contact Mrs. Samuel Wilson. Proceeds will go toward the State Project. Sunday will be the annual Patriotic Education Services at Valley Forge. Arrangements are being made so members traveling a long distance can stay in homes in the area, so no hotel bills will be incurred.

MARCH 14-15, 1975--Conemach Society of Johnstown will host 1975 State Conference. It will be held at the Sheraton Motel in Johnstown. Note change in location. The Sheraton is within walking distance of three beautiful churches, The Johnstown Flood Museum, where dedication of the State Project will be held, plus a beautiful indoor pool.

TWENTY-FIRST ANNUAL EASTERN REGIONAL MEETING

"Congrats" are in order to the State of Pennsylvania for the number in attendance at the Eastern Regional Meeting in Towson, Maryland on June 28-29. We had the largest delegation present with 22 members attending, considerably more than any other state.

We had many officers and chairman present who were able to be introduced to the new packet and the thoughts of the National President on what he wants accomplished this year. Present were: Debbie Whitaker, St. President; Bruce Longenecker, 1st Vice President; Sue King, 2nd Vice President; Gregg Hartenstine, St. Chaplain; Betsy Whitaker, St. Recording Secretary; Anne Sweeny, St. Organizing Secretary; Don Mohr, St. Treasurer; Barb Bentz, St. Registrar; Geoff Claxton, St. Historian; Stephanie Heydt, St. Librarian and Curator; Sam Wilson, Eastern District Vice President; John Hartenstine, Central District Vice President; Doug Mohr, Western District Vice President; Kitty Engstrom, St. National Heritage Chairman; Liz Bowen, St. Conservation Chairman.

Following a rap session and pool party on Friday night, the opening session on Saturday was very informative and many people became involved in the discussions, which was indeed promising.

The afternoon luncheon was followed by the traditional Historic Tour and 21st Eastern Regional meeting was concluded with the dinner-dance following.

A good time was had by all and this was truly a good beginning to the Regional meetings which take our members all across this great country of ours.

1974 State Chairmen

Due to the changes of the chairmanships on the National level, the State Societies have been asked to revamp their chairmanships. Such chairmanships as American Art, American Literature, American Music and many others have either been cut or combined to form 9 chairmanships, 2 standing committees, and 2 convention committees. Mrs. Mohr, the new Sr. State President, and Debbie Whitaker, State President decided to make these chairmanships into committees with a chairman and 3 members, one from each district. The following are the State Chairmen:

American Heritage . Kitty Kelly Engstrom, 602 Pennridge Rd. Pittsburgh, Pa 15211
Natl. Merit Award . Kim Chiccotella, Box 198 Penn, Penna. 15675
