Julia's Journey

Hello, PA C.A.R.!

I cannot tell you how excited and honored I am to be your 2014-2015 State President! I have so much to live up to, as my good friend and Honorary State President Kyle Popielarski did an amazing job Preserving Valor this past year. I want to congratulate him and Mr. Turner on a successful and fun filled year!

For everyone that made state conference happen this past March, a huge thank you and bow of gratitude to your hard work and dedication. I always feel so humbled to see such patriotism showcased and always reminded of how amazing it is to be a part of such an amazing organization.

More fun times were had this past April at National Convention in Arlington, Virginia! I was so proud to be among the Pennsylvania delegates as we concluded our Pursuit of Happiness with Honorary National President Caitlin Collins. Congratulations are in order for our own Kate Turner who became Vice President of the Eastern Region! Congrats, Kate! I anticipate nothing but greatness from you. You make Pennsylvania so proud!

I encourage all of you to embark on the journey to this upcoming Eastern Regional. It will be a great opportunity to showcase our patriotism and support our own Kate Turner held in Princeton, New Jersey. This regional will also have many opportunities for participation in skits as well as learning about the National Project from newly elected National President, Betsy Ehmke, and it will be loads of fun!

I hope all of you are ready to embark on PA C.A.R.'s Journey through History as we kick off the year as a State Society at Summer Workshop! I'm sure all of you are already hard to work on your skits and contests and I cannot wait to see them. I plan for summer workshop, 2014 to full of fun, laughter, enthusiasm, and patriotism. I am optimistic that I will see many of you in Canonsburg, Pennsylvania the first weekend of August for this wonderful adventure!

I am so honored to serve as the 2014-2015 State President of the Pennsylvania State Society along with my hardworking board, enthusiastic chairmen, helpful seniors, and enthusiastic members. I'm sure there will be twists and turns on this adventure, but in the end, I know it will have been a journey worth embarking on!

Journeying through History,
Julia Teti, State President

Senior President's Historical Highlights

PA C.A.R. took the time in Preserving Valor and following the Pursuit of Happiness in coming together for our 70th State Conference in Gettysburg, PA on March 21 and 22. Our conference was hosted by Marsh Creek society and presided over by State President Kyle Popielarski.

Attendees had the adventure of a scavenger hunt on Friday night and a wonderful tour of the George Spangler Farm on Saturday. The tour of the farm included several "stops" where guides explained how the farm was used during the Battle of Gettysburg. Teams were also formed to see which team could build the best split rail fence. PA C.A.R. did an awesome job at raising funds to aid in the restoration of the George Spangler farm as an important feature of the Battlefield!

We were honored to have Senior National President, Hans Jackson and National President Caitlin Collins joining us for the weekend! Conrad Weiser Society was named PA's Most Outstanding Society and the Nancy G. Burkey Most Outstanding Member was Emerson Sites-Byers! Congratulations!!

At our National convention in Alexandria, VA on April 11-13, the PA Society had 11 Delegates. Our State President won the Gold Merit Award and many of our state societies were Merit Award and contest winners! Good job!!

I want to thank Marguerite Fritsch, Liz Ciarrocchi, Robert Fritsch, Colleen Hogan, and Rosemary T. Hogan for putting on our lunch on Saturday afternoon. This luncheon is always a special time for our PA Society to be together. On Sunday, I was proud to see our Honorary State President, Kathryn Turner sworn in as our Eastern Regional Vice President, Julia Teti as our new

PA State President and Honorary Senior State President Floyd Turner as Senior National Librarian.

Our new state t-shirts and pins are now available for \$10 each. All funds from the sale of these items will go to the state project. I encourage all PA C.A.R. members and seniors to purchase and wear these items to promote the state project!

I had the pleasure of introducing our State 1st Vice President, Jessica Dodson, at the PSSDAR State Conference in Pittsburgh on April 25th. We were invited by the PSSDAR State Regent, Mrs. Bobbi McMullen. Jessica brought greetings and presented the PA C.A.R. State Project for this year.

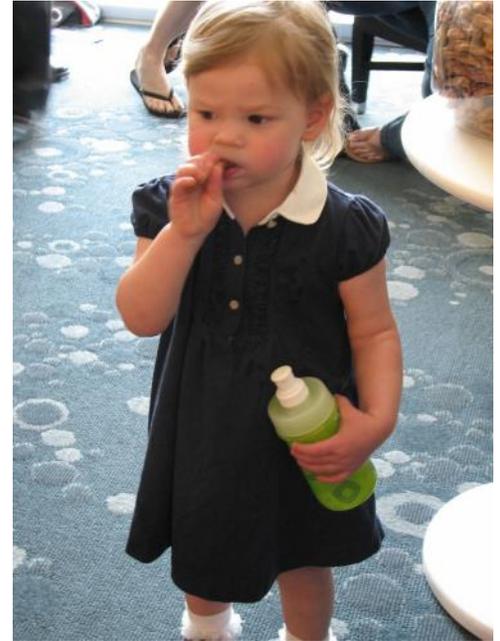

This year, the Eastern Regional Meeting will be held on July 8th and 9th in Princeton, NJ, hosted by the NJ State Society. More information on the meeting can be found in this newsletter. I would really love to see many of our PA Society members able to attend. This is a great opportunity to learn about the National Project and meet member from all over the country. We would also be there to support our own Kate Turner as she will preside as the Eastern Regional Vice President!

The 2014 Summer Workshop will be hosted by the Parkinson's Ferry Society on August 1st and 2nd in Pittsburgh, PA. Make plans now to join everyone in Pittsburgh and learn about our State Project.

Membership

As this CAR year starts we need to start thinking ahead of what our goals will be. Will it be writing as many articles as possible for the Kapers or local society newsletters? Will it be raising money for this year's State and National projects? Or will it be trying to raise CAR Membership. Membership is vital to C.A.R., I mean without members there would be no C.A.R. School is almost over and summer vacation is friends about how much fun you have in CAR and show them all the great things that we do in this organization. Tell them about all the great friends that you've made in CAR and how fun it is to spend time with them. In the past twenty years that I have been a member I have made some

amazing friendships that will last forever and I know you have too, so pass that on to non-members to try and get them to join. Like I said before members are vital for CAR to survive so while you are enjoying your time off from school remember to get new members for CAR.

State Membership Chairman*

Journey Through History

The State Theme for the 2014–2015 PA C.A.R. year is *Journey Through History*,

PA C.A.R.! Our adventure is just beginning! I cannot wait for the Journey that is in store for all of us this year in C.A.R.! With all of the busyness of preparing for our adventures this summer, here's what our journey will be for!

Located off the Washington Pike is a historical artifact that too often goes unnoticed through the chaos of traffic. The Neville House of Woodville plantation holds significance that you may not have guessed at first glance. The Neville House was the home of a general, a former commandant of Fort Pitt, a man of wealth and education. John and Winifred Oldham Neville's home was deemed "a temple of hospitality." Its window panes still bear the signatures of guests and relatives, scratched into them with the point of a small object as if to create a transparent page of history. Both informed hard work and good luck have contributed to the restoration of the house and our knowledge of its history. Restoration at "Woodville" has taken years and is continuing, but the zeal and care of restorers and the leadership of devoted volunteers is being rewarded.

This year, PA CAR is journeying through history in order to raise funds to aid in the continuing restoration of The Neville House by procuring enough money so the house can purchase a serving table that is of the time period for the dining room.

Your donations and support will ensure that The Neville House does not go unnoticed but becomes a significant part of the community. This will be an amazing adventure as PA CAR embarks on a Journey through History!

The National Theme for the 2014–2015 N.S.C.A.R. year is *O! Say Can You See*.

This year's national project is to raise \$20,000 to donate to the Star-Spangled Flag House in Baltimore, Maryland. The house was originally the home of Mary Pickersgill, who sewed the Star-

Spangled Banner. The house is now a museum that that tells that story of Mary's and the flag's impact on our independence. The Star-Spangled Flag House is the home of ten flags, that unfortunately are all in need of repair. The cost to repair these flags falls outside of the museum's exhibit funds. Therefore, the goal is for N.S.C.A.R. to raise enough funds to be able to repair all ten flags and place a recognition marker on the grounds of the Star-Spangled Flag House.

National Convention 2014

My Last National Convention as a Member

This is a hard article to write. I still remember my first National Convention. Bobby Fritsch was our National President and my brother and I had no idea what we were supposed to be doing. I was one of Bobby's aides and Justin was a flag bearer. Thankfully, we had just done our PA State Conference, so we thought we knew a bit of what to do.

Fast forward seven years. In all this time, Justin and I have served as state and national chairmen and officers. But, this year was especially important to me as I served as PA State President. So, at my final National Convention as a member, I was to give my report from the state of Pennsylvania. The weekend was filled with 'firsts' and memories. The Pennsylvania lunches, going off to vote, the expectation of the election results, the waiting for dinner to be over so that the dance and party could get started. Oh, and a 'first' this time was to be the escort to the National President in the Grand March!

I really cherish my years as a member in C.A.R. I would not be where I'm at today if it were not for the support of everyone in this organization. I will never be able to thank all the members and seniors enough for everything they have done for me over these years!

Kyle Popielarski
Honorary PA State President

National Convention 2014

1st Time to National Convention

If I could describe the national convention of C.A.R. in one word, it would be *AMAZING*. National Convention was held at a wonderful hotel right outside of beautiful Washington, D.C. The convention began Friday evening, where a meeting was held to give National Officers an opportunity to share their accomplishments and announce the winners of their contests. My society won thirteen national contests this year. It was very exciting. Following the meeting was a period of time for all the voters to meet the candidates that are running for national office.

The next morning we had time to have breakfast and socialize before the morning meeting. We heard the Presidents of each state society and National Chairmen give their reports, and the voting began. Each member voted for the candidate that they believed to be the right person for each job. It wasn't long until the winners were announced. The new national board looks great, and the new national project will be fun. I enjoyed the time after lunch to socialize before the evening banquet.

The banquet was a time to eat and talk with others, but it was also a time to thank and say goodbye to the National Officers and National President. It was also a thrill to hear my society announced as the 3rd best society in the nation! Following the banquet was the grand march and an awesome dance which was the perfect ending to my 1st national convention.

I found it all to be a blast, especially the dance. I met a lot of really awesome people and even got to carry one of the flags in the processional. **I recommend that you make plans to go to next year's national convention and volunteer to do something while you are there...I already am!**

N.S.C.A.R. DRESS CODE

Amended October 12, 2009, April 14, 2011, December 7, 2013

The Mission Statement of the Children of the American Revolution states, in part, that the organization trains good citizens and develops leaders. This Dress Code is established to ensure that all the good citizens representing this organization, both members and seniors, present themselves in a professional, dignified manner befitting a leader. This Dress Code is in effect for all meetings of the National Society, including National Convention and Regional Meetings.

Appropriate C.A.R. Attire

Appropriate C.A.R. attire is always modest in length and exposure, well-fitting and allows the wearer to move, sit and work comfortably and respectably. Revealing clothing is not acceptable unless covered in a respectable manner.

Appropriate attire is required for all members, adults and guests at all times. The Dress Code is in effect from start of the opening session on the first day until the end of the last scheduled event and any other event as noted in the program or call to meeting.

Prior to an event, questions regarding whether an item is appropriate should be directed to the Senior State President.

Business Sessions and all Public Areas of the Hotel

In addition to the "Appropriate C.A.R. Attire" definition above, attire for business sessions must be business-like and acceptable in a corporate board room. No jeans, sweatpants, flannels/pajamas, uncovered leggings, mini-skirts, or casual attire of any kind will be allowed. Appropriate dress shoes must be worn at all times.

Ladies/Girls: Business suits with appropriate skirt; business dresses; dress skirts and blouses; equivalent military or civil servant uniform.

Gentlemen/Boys: Suit and tie; sport jacket, slacks, shirt and tie; equivalent military or civil servant uniform. Coats may not be removed during the business session. Hats may not be worn indoors at any time, except when involved in a special presentation or event.

Banquet and Formal Dance

In addition to the "Appropriate C.A.R. Attire" definition above, attire for the banquet and formal dance must be acceptable at any "Black Tie Optional" gathering. No jeans, sweatpants, flannels/pajamas, uncovered leggings, mini-skirts, or casual attire of any kind will be allowed. Appropriate dress shoes must be worn at all times.

Ladies/Girls: Evening gown; ball gown; respectable length dress; equivalent military or civil servant uniform. An evening wrap is suggested due to air conditioning.

Gentlemen/Boys: Tuxedo; suit and tie; sport jacket, slacks, shirt and tie; equivalent military or civil servant uniform. Coats may not be removed during the Banquet or Formal Dance. Hats may not be worn at any time, except when involved in a special presentation or event.

Relaxing of Dress Code

Dress Code may be relaxed for special-themed events, parties or other casual events. Casual attire should be appropriate for the activity and conform to the "Appropriate C.A.R. Attire" definition above. Appropriate footwear must be worn at all times.

The program/call to meeting will specify when the Dress Code has been relaxed and appropriate casual attire is allowed.

Enforcement

The Code of Behavior, which includes the Dress Code, is enforced by the Administrative Committee. During an event, questions and suspected violations of this code may be referred to the Senior Chairman of the Administrative Committee and designated senior leader for review and action as prescribed in the Code of Behavior.

Issues and concerns not specifically outlined in this Dress Code will be addressed on a case by case basis.
