Winter 2010

## Hitting the High Seas

Hello All,

Avast! our year is quickly passing and the holiday season is upon us. I hope everyone is doing well in school and local societies are fast ahead in their activities. We have had a great and productive year so far. Thank you all for being so supportive and excited to Anchor History!

Recently, I have been promoting the PA C.A.R. state project on a national level. I attended the 2010 National October Board Meeting in Crystal City, VA where I was honored to be the member for evening events. I was able to work with the other committees to help make the 2011 National Convention the best.

I am very proud of the hard work each of you has put into Pennsylvania C.A.R. this year. I hope that you will continue to support through the many contests this year on the state level. I also hope to hear some of Pennsylvania's societies winning national contests as well.

Enjoy this holiday season by reflecting on the past year and remembering all the fun activities our society can do for the future. I look forward to working with everyone for the next few months and making the 2010-2011 year great for all the members. I know it has been a wonderful experience for me already.

Here is a Boater's Blessing for good luck in the New Year!

May there always be water under your boat,  
May she always be seaworthy, ever afloat,  
May the bilge pump be certain to work night and day,  
May the compass and charts always show the safe way,  
May you find gentle harbor as every day ends,  
May you lower your anchor amidst peace and good friends.

Elizabeth Killian  
State President

## *Steer the Ship*

Ahoy members, seniors, and friends,  
Merry Christmas to everyone on behalf PA C.A.R! I wish you peace, joy and love this holiday season. Please pray for our military members, and their families, who are serving away from home during the holidays.

This fall has been fun sailing in PA waters and dropping anchor to share the history of PA C.A.R. at different events. These events included the annual DAR/SAR Constitution Week luncheon, DAR Valley Forge Sunday, the Jephtha Abbott and Berks County DAR/CAR joint meetings, and a multi-state CAR meeting in Philadelphia to see the National President's Project, with the Senior National President, Ann Schaffer, in attendance.

It has been fun learning, as well as sharing, history along the journey. What amazing people and sites we have in PA! I look forward to accompanying our State President, Elizabeth Killian, to a Christmas Tea in her honor, hosted by the Parkinson's Ferry and Elizabeth McKinney Societies, in Pittsburgh on December 12<sup>th</sup>.

It has been wonderful to hear about all the great activities of the many local societies! Several societies held fun, interesting and unique meetings this fall to Anchor History! One highlight, Kathryn Turner, from the Conrad Weiser Society, was invited to speak to the Berks County Commissioners on behalf of "Wreaths Across America", a program their society is sponsoring. Remember to enter as many state and national contests as possible to reward, and record, your society's efforts.

Start making plans to attend the State Conference on March 18<sup>th</sup>-19<sup>th</sup> 2011 in Wilkes-Barre, hosted by the Frances Slocum Society. I have a 'Special Challenge' for CAR members. Our State President loves to get mail at college. The member who sends the most pieces of mail to Elizabeth by March 1<sup>st</sup> will receive a special prize at State Conference.

Send mail to: Miss Elizabeth Killian, High Point University # 2532, 833 Montlieu Ave., High Point, N.C. 27262. Let's try to 'sink the ship' with mail!

Enjoy the Christmas season with your family and friends and may God bless you in the New Year.

Anchoring History,  
Rebecca O'Neill Senior State President PA C.A.R.

### Member "Ship"

Ahoy Mateys!

How is your voyage coming along? I hope you are all having a jolly good time. I'm sure you've stopped in many ports along the way and made new friends. At every stop there is always more history to learn along with meeting new people. What would be the point of dropping anchor if you weren't going to learn a few interesting historical facts? I hope you've been adding your new friends to your crew. You can't forget that the more shipmates you have the easier the sailing is. They also make the voyage more enjoyable. With them they bring a new spirit and their own knowledge of history. I cannot wait to see which ship in the Fleet of Pennsylvania comes back from the voyage with more new shipmates. Bona fortuna et laetus navigandus! (Good luck and happy sailing!)

## Cheval de What?

This year's State Project is to aid in the restoration of a cheval de frise. A cheval de frise was a giant log with a metal tip that was placed on the bottom of the Delaware River during the Revolutionary War. These logs were placed at an angle so that if an enemy ship unfamiliar with the river would travel up, its hull would be damaged by the metal tip and the ship would be unable to continue on. After the war many of these logs were removed from the river, but some had sunk from their desired angle and fell to the bottom of the river. One of these great logs was found recently and was brought to the Independence Seaport Museum, where the restoration process will take place. The money raised by the state society will go towards restoring this historical defense weapon. Once this cheval de frise is restored, P.A.C.A.R. will have a plaque displayed at the exhibit for recognition of its aid.

*Jacob Hogan, State First Vice President*

Order your "Anchoring History" items today to raise money for the State Project. Each item is \$10. **Anchoring History** BlueT-shirt and Anchor Pin. Email: Rebecca O'Neill, Sr. State President with your orders. [RebeccaON@comcast.net](mailto:RebeccaON@comcast.net)

## The Beginnings of Freedom

In a climate-controlled, impact-resistant, alarmed and specially illuminated display in the West Wing of the Old State House, Independence Hall, are the "Great Essentials".

What are the "Great Essentials"? They are the 3 defining documents of the United States of America...the Declaration of Independence, the Articles of Confederation and the Constitution.

Much has been done to preserve these momentous documents and the building where they were debated and signed, but there is still more to be done. The members of the National Society are stepping up to help preserve and protect these irreplaceable documents.

Money raised in support of the National project will help with the following work that needs to be done: upgrading the fiber-optic lighting, clean the security and fire detection system and replace worn connectors, redesign and replace the display case infrastructure, repair damaged finish to the cases, replace the case opening mechanism and replace the case lid with new glazing.

Preserving these examples of our Founding Father's **Magnificent Valor** will help to ensure that succeeding generations of Americans will be able to view these historic documents in the very building where they were created.

I pray that all PA C.A.R members learn about these documents and enthusiastically support the National Project.

*Kathryn Turner, State Chaplain*

Subscribing to the Keystone Kapers will give you lots of information about C.A.R.

You'll learn about up-coming events, and you'll see what all the societies across the state have done.

It's a great way to keep in touch with your friends in other societies and by sending a gift subscription to your local library, you'll help people learn about C.A.R.

So subscribe today!!

## Conservation

*Brrrrr! It's cold outside!* You may not be able to plant anything or have a society meeting outside, but that doesn't mean you can't conserve.

For example, you can still recycle newspaper, take short showers, and remember extra hard to turn out lights when you leave a room. And bravo to you if some snow doesn't stop you from picking up

litter in the park!

Here's an idea for your society's next meeting: Split into groups and race each other to see who can come up with the most ways to conserve in the winter. Just remember you can be **green** even in the snow.

See you at State Conference,

## Issac Tripp

Isaac Tripp Society visited Hillside Farms (Thelandsathillsidefarms.org) in Shavertown, PA where they learned about sustainable farming for the Conservation Program.

## Conrad Weiser

Joint Meeting with the Berks County Chapter, DAR

On October 9, 2010, the Conrad Weiser Society had a joint meeting with the Berks County Chapter, DAR at the Wyomissing Public Library. Society President Christine Kolyer and Regent Elizabeth Dechant presided over the meeting. Senior State President Rebecca O'Neill was a special guest and spoke briefly. Jane Turner, Past Senior Society President and the current C.A.R. Chairman for the Berks County Chapter, presented a PowerPoint presentation about C.A.R.. Afterward, the Society members present spoke about what C.A.R. has meant to them and encouraged the ladies to put their children or grandchildren into the C.A.R.. At the close of the meeting, Regent Dechant presented President Kolyer with a donation for the Society.

Naturalization Ceremony at the Berks County Courthouse

On September 29, 2010, Conrad Weiser Society Chaplain, Kate Turner, attended the Naturalization Ceremony at the Berks County Courthouse where 36 new citizens were sworn in. Chaplain Turner presented each new citizen with a small American Flag and congratulated them on their achievement. After the ceremony Judge Sprecher thanked her for participating in the ceremony.

Sleepover and Picnic

needed to follow clues to find the collection. Later we settled in the auditorium and watched 2 movies on the big screen. The next morning we had breakfast and moved on to a picnic at the Heffner's home. Lunch was burgers and dogs on the grill and, after an appropriate rest it was into the pool and hot tub!!

The Conrad Weiser Society held its annual sleepover at the Historical Society of Berks County on August 13, 2010. To kick off the festivities there was a museum scavenger hunt where everyone needed to follow clues to find certain objects in the collection. Later we settled in the auditorium and watched 2 movies on the big screen. The next morning we had breakfast and moved on to a picnic at the Heffner's home. Lunch was burgers and dogs on the grill and, after an appropriate rest it was into the pool and hot tub!!

# Presque Isle

## Annual Heritage Festival

On September 11, 2010 the annual Heritage Festival was held in Erie, Pennsylvania.

Presque Isle C.A.R. members Hunter Andrzejewski, Amber Phelps, and Fay Totman attended and worked at their sponsoring DAR chapter's table. They helped set up, showed our C.A.R. scrapbooks, handed out literature about C.A.R. and DAR, and sold baked goods

## Kids Helping Kids Party

On October 9, 2010 Presque Isle Society C.A.R. held its annual "Kids Helping Kids" party. The weather was beautiful - no snow this year! Fourteen members, two prospective members, parents, grandparents, and DAR members attended.

We had our usual bobbing for apples, a water balloon toss and cook-out. After everyone finished eating it was time to break the pinata - everyone's favorite.

We collected quite a few school supplies and these will be donated to inner-city schools as part of our "Kids Helping Kids" project.

## American Indian

Hi! I'm Everitt Meer American Indians Chairman. I recently went to a DAR meeting and presented some facts about the Sioux Indian Tribe. I thought it would be fun to tell you some facts about them. They ate animals. They also ate vegetables and fruit but only if they could find them. They lived in the great plains of North and South Dakota. I even learned some of the Sioux Indian language from a book. "Le ya zan kte sni" means "this will not hurt". I had a lot of fun learning about the Sioux tribe. I hope you will learn about it too. I think you will have fun doing it! Take time in one of your meetings to present what you learned and be sure to enter the contest with what you did.

See you at state conference this spring!

## Mountain Schools

*Anchoring History by helping to anchor the children...*

There are six Mountain Schools to which C.A.R. members send materials and financial support. They are: Tamassee DAR School (South Carolina), Kate Duncan Smith DAR School (Alabama), Hindman Settlement School, (Kentucky) The Crossnore School (North Carolina), Hillside School (Massachusetts), and Berry College (Georgia).

These schools are important because they help so many people and children just like us. Please consider working with your societies to support the Mountain Schools. Collect books for the Crossnore School Library or send items that are needed to the Tamassee DAR School. Every little bit that we do will help.

Aiden Klee, Mountain Schools Chairman

## EDITOR'S CORNER

Happy Holidays to all. As the PA C.A.R. ship is sailing through the year in no time we will be setting Anchor down at our state conference. Remember this publication is provide you information and for societies to see what each of you are doing throughout the state. Please send me pictures and articles about the activities in your society.

It is this time of the year for family and friends as well as starting the new year with renewed energy for what the future has in store. I found this quote from Mark Twain that I think encompasses so much about looking at life. *"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."* Mark Twain

Enjoy reading.
