Totman's Tales

Hello, PA C.A.R.!!!!

I am thrilled to be your 2016-2017 State President! It is such an honor to serve as your President. I simply can't stop smiling! I am very excited to lead the PA C.A.R. "Miles with Smiles" this upcoming year. My friend, *Honorary State President Jessica Dodson*, had an amazing year keeping "a Motto, a Memory, a Museum" alive, and has paved a great path to follow.

I would like to thank everyone who attended the Seventy-Second Pennsylvania State Conference, as well as all of the members and seniors who made it a fantastic event! The decorations were superb!

I would also like to congratulate *Honorary National President Erin Jackson* for an amazing year taking us all on the "Road to Independence". As a first time attendee to National Convention, I had the opportunity to make some new friends and to experience the incredible amount of patriotism displayed by everyone in attendance from all across our great country. One moment from Nationals that I will never forget was when I was sworn in at Mount Vernon, and *Honorary National President Erin Jackson* placed the State Presidency Insignia around my neck, officially making me the State President of Pennsylvania.

Kicking of the many exciting miles ahead for 2016-2017, I encourage all of you to go the "Miles with Smiles" at the Eastern Regional Conference. At Eastern Regional we will learn about the National Project "Freedom's Thunder" in our very own Gettysburg, PA on July 19th and 20th with the *Vice President of the Eastern Region, Nick Oxaal from New York*. I am also looking forward to all of you going the miles with smiles at Summer Workshop and finding out more about our State Project.

I cannot wait to see all of your smiling faces and to see all of your skits and contests the first weekend in August 5-6, 2016 in Bethlehem, PA.

Smile away!

Faybiana Totman, State President

Hello PA C.A.R.

I am very excited to submit my first article to the Keystone Kapers since becoming your Senior State President. It has been a whirlwind few weeks, lots of miles and lots of smiles.

In the upcoming year we will be celebrating kids helping kids, by raising money for Cody's Wheels of Hope. Fay has picked a great charity for us to help and what a great way to celebrate by going Miles for Smiles with PA C.A.R.

At National Convention in Arlington Virginia, Pennsylvania C.A.R. definitely traveled the miles to make a big appearance. Parkinson's Ferry Society was named the Most Outstanding Society in the Nation, great job! Huge Smiles! The Pennsylvania luncheon was a great success thank you John Morton Society. Huge Smiles! Sunday was a gorgeous day in the nations capital, which helped to make the Pilgrimage where Fay Totman and I were sworn in, that much more special. Along with Fay and I, Honorary Senior State President Nancy Popielarski was sworn in as Senior National Assistant Registrar. Huge Smiles! Thank you all for coming down to National Convention and I hope more of you will be able to join in on the fun next year.

No rest for weary. One week later many PA Seniors and Members were traveling miles to PA D.A.R. State Conference in Lancaster, PA. This was Fay and my first official duty as state and senior state presidents. What an honor it was to bring greeting to all of the PA Daughters on behalf of all of you. DAR State Conference was filled with so many C.A.R. faces, it makes me smile a little more to know what great support our state has from our PA D.A.R. The weekend was made a bit more special by seeing Senior State Recording Secretary Lucina Verish and Honorary Senior State Presidents Cynthia Pritchard, Rosemary Hogan and Sallies Sites elected to state office. However having Honorary Senior State President Cyndy Sweeney elected as State Regent brought a little bit of a brighter smile to my face. Congratulations to all of you.

Then we went miles to SAR State Conference in Lancaster, PA. What a great group of men and I can't tell you all enough how supportive they are of PA C.A.R. Seeing many familiar smiling faces and bringing greetings was a great privilege.

Next we are hoping that all of you will join us in traveling the many miles, to Gettysburg PA for Eastern Regional, July 19 and 20, 2016. Since Pennsylvania is the host state I know that there will a lot of smiles in the audience to support Fay as she brings greetings and gives her report about our state project and theme.

If you have not yet purchased your pins and t-shirts yet please let me know and we get take care of that.

Finally, I would like to congratulate Mrs. Nancy Popielarski and Jessica Dodson on a fantastic year celebrating "A Motto, A Memory, A Theme". I am honored to follow in your footsteps.

*Keep Smiling -

Membership Puzzle

What better way to encourage your friends to learn about C.A.R. than with a puzzle. Use this puzzle to promote membership and encourage your friends to join in on the fun. You can't stop smiling as you do a little brainteaser.

Print out and unscramble the words, bring to workshop and turn in Friday night, 2 winners will be picked out of all correct entries on Saturday during the meeting one over 12 yrs and one pee wee.

National Theme 2016-2017 N.S.C.A.R. year
is ***Freedom's Thunder***

This year our newly elected National President Connor Jackson will work to raise funds for "Freedom's Thunder." The project will raise money to build a new outdoor interpretive program for visitors to utilize while touring at Yorktown in Virginia. The program will show an artillery and firing station that will feature education on the siege of Yorktown and Firing demonstrations of Cannon at the new

Hello everyone I hope you all had a lot of fun at state conference. The state project has to do with Cody's wheels of hope. This charity helps buy bikes to give to children that are in the hospital and whose families can't afford bikes. It was founded by the family of Cody Scott Filson when they gave the

bike to another child that they had bought for Cody. Cody had unfortunately passed away before his 5th birthday. They will also buy wheeled toys as well. We are raising money to help buy the bikes and wheeled toys. The motto this year is going miles for smiles with PA CAR.

Cycling through the Ages

American History Chairman

As the spring weather and sunny days finally arrive, one of my favorite activities to do is to go on a bike ride around the neighborhood. With State President Fay Totman's theme being *Going Miles for Smiles*, C.A.R. members across Pennsylvania will be cycling a lot this year. May is *National Bike Month*, and did you celebrate? I encourage all local societies to learn the history of the bicycle at their next meeting and how it became a favorite pastime across America.

An early bicycle had been developed by a German inventor in the early 1800s, and the French participated in a bike riding phase in the early 1820s. Although the use of bicycles was becoming more common, the first bicycle, at this time called a velocipede, was patented in America in 1819, by W. K. Clarkson, Jr. This prompted a short-lived bicycle craze in the late 1860s. Bike-riding in America reappeared ten years later, and Albert A. Pope worked as the first bicycle manufacturer in America. Women suffrage movements employed the bicycle as a tool for empowerment. It allowed women to travel freely and participate in outdoor activities, and the motion required to work a bicycle allowed women's clothing to evolve and fashions to become less restrictive. Suffragists Elizabeth Cady Stanton and Susan B. Anthony were fans of these new contraptions.

A national bicycle club called the League of American Wheelmen was formed in 1880, now known as the League of American Bicyclists. The bike continued to evolve in crazy ways throughout the 19th century and today people all over the world enjoy bicycles as a way of transportation, exercise, or to spend time with friends. National Convention

National

Convention is an amazing time to learn about history, meet new and old friends, celebrate your accomplishments of the year, and most importantly, stay up past your bedtime! The weekend started with a trip to Arlington National Cemetery, where we witnessed a wreath laying ceremony performed at the Tomb of the Unknown Soldier by the N.S.C.A.R. Every hour of the year, a soldier watches over the tomb, marching back and forth and occasionally laying a wreath. As I observed this ritual, it made me realize how proud I am of my American descendants who fought in wars. Returning to the hotel, we then began the National meeting, where I and other friends listened to the President's and candidates' speeches. When the meeting was adjourned to resume in the morning, the members of C.A.R. rushed upstairs to change for the awesome party, which included a cotton candy machine, a bounce house, a dance floor, a strength tester, and a

light game. The next morning, President Erin Jackson continued the meeting, and I participated as a flag bearer during both the procession and the State Presidents' speeches. These speeches were given at the time which state societies were taken out to vote for next year's National Board. With many votes to count, we turned in our ballots and hurried back to the meeting. When the time of the banquet came, the members ate dinner, received pins, and awaited the announcement of the most outstanding societies in the nation. I was especially excited to find that my own society, the Parkinson's Ferry Society, was the first place winner for this event. After the excitement was over, Erin then made her speech, which made all of us especially grateful that we were in such an amazing organization and that we had time left to make even more memories with our friends. Connor Jackson, First Vice President, then in return gave a speech and gifted C.A.R. items and more to his sister, our National President. When the presents were all given and the slide show watched, it was then time for the grand march and dance party where everyone had an awesome time and made amazing memories. After Nationals ended, I was disappointed that the fun was over but excited to start anew by serving C.A.R. locally and nationally and to take the nation by storm with the message of freedom!

Letter from the Kapers Editors

Are you ready for National Chicken Dance Day? You must be stocking up candy for National Jelly Bean Day? Are you celebrating National Australian Day, Mate? Don't celebrate any of these bizarre holidays? That's ok, with the Keystone Kapers, PA C.A.R. members always have a reason to celebrate! The Kapers loves to show off member and society achievements and feature local society activities. Send in pictures from society field trips, business meetings, and community service events. Write an article about it so other societies can gain ideas for their own meetings. Encourage members to submit articles about the national or state contests as well as their favorite parts of American history. Create games and puzzles, or have a Pee-Wee draw a picture. The Kapers allows members from all over the state to share their accomplishments, give meeting ideas, and stay connected throughout the long months between conference and workshop. We need your help. Submit member-written articles, pictures, and games- Celebrate your Society!
