# CAPTAIN MEER'S MESSAGE

Ahoy, PA C.A.R. Mateys!

It is an honor to be your State President this year and I am looking forward to all the great work that our state society will produce over time. We have many voyages scheduled for this year **that you won't want to miss. Are you planning to go to State Workshop August 3-4, 2018?** I guarantee you will have swashbuckling time if you do! All hands on deck as we prepare to weigh anchor and let the State Project set sail. Let me tell you a little about our upcoming adventure...

**The Veterans Breakfast Club (VBC), which is this year's C.A.R.** state project, is a service project which focuses on helping veterans and is of great significance to me. The Veterans Breakfast Club is an organization which hosts breakfasts for veterans in Pennsylvania and allows them to educate new generations on past lives and their service for our country. Everyone is invited to listen and learn at these events.

This year Pennsylvania C.A.R. will *Treasure Our Veterans* by funding VBC to provide food and allow the veterans an environment to share. We will also *Treasure Our Veterans* by handing out thank-you cards, written by our members, to the veterans attending the events we sponsor. I am also hoping that our members will get a chance to attend these events.

The opportunity to lead PA C.A.R. in this effort which will help many veterans is exciting, and I am **looking forward to this year's bright future.** To begin this term, I attended the PA DAR State Conference where I, along with other members sold merchandise and excited the Daughters of the American **Revolution about this year's project.** In April, I attended National Convention as a delegate and was sworn in as State President. I have plans to travel throughout the state this term speaking at C.A.R. societies, as well as DAR and SAR chapters, representing both our State Society and the State Project.

I invite all of you to join join me and *Treasure Our Veterans* through the state project and any other learning activity your society offers. Consider attending a breakfast club with your society or visiting local veterans to help honor them. I also hope that your society will help write thank you cards to the veterans who attend the VBC. No matter what we do I know that we will all strive to *Treasure Our Veterans* this year. Remember to keep a watchful eye for all the National Tour events that will be navigating around the country. I hope to see my crew at State Workshop where you can find a new kind of treasure - friendship and fun.

*Raise the Jolly Roger,  
Everitt Meer, State President*

# ***KLEE'S TREASURES***

Hello PA C.A.R.!

**What an exciting and action packed few weeks we'll have as we plan for this upcoming year to Treasure Our Veterans and ensure America's Lasting Legacy.**

Over the upcoming year Pennsylvania C.A.R. will be filled with service to our communities and our veterans. Pennsylvania will be raising money to host **breakfasts for veterans with the Veteran's Breakfast Club organization.** Everitt has picked a project that will allow our members to serve and interact with Pennsylvania veterans and hear their stories of service to our country.

Before officially taking on our duties, Everitt and I had the opportunity to represent Pennsylvania C.A.R. at the DAR State Conference. It was wonderful seeing so many familiar faces there. Many of the central PA C.A.R. members attended for the Friday night opening ceremony where they helped to lead the C.A.R. creed. Everitt told the DAR members about the new project Pennsylvania members will be taking on this coming year and thanked them for all their support to PA C.A.R.

Pennsylvania had a wonderful showing at National Convention with many of our members serving as Pages, Aides, Flag Bearers and National Chairman. Thank you to the Pennsylvania members and seniors that served as chairman on National Convention Committees. The convention was a great success due **to everyone's hard work. The Pennsylvania Luncheon on Saturday was a great**

**hit thanks in part to Collen Hogan and Kyle Popielarski. I think all our members, seniors and guests had a wonderful time enjoying each other's company while celebrating Morgan Meer and her successful year. Sunday we had a beautiful day for our installation at Mount Vernon. There was even a surprise flyover by two bald eagles that wanted to wish all our incoming board members well on their upcoming year. Along with Everitt being sworn in as State President and Morgan Meer being sworn in as Eastern Regional VP, Pennsylvania had a great showing for senior leadership with Nancy Popielarski being sworn in as Senior National Second VP and Sallie Sites being sworn in as Senior National Chaplain. Cyndy Sweeney will continue as Senior National Honorary VP 2017-2019. Thank you to all the Pennsylvania members and seniors that attended National Convention; it was a fun weekend for everyone.**

Two weeks after National Convention, and we were off again this time to attend the SAR State Conference in Valley Forge. Emerson Sites-Byers represented Pennsylvania C.A.R. and brought greetings to the SAR members. He told the SAR members about the new project Pennsylvania members will be taking on this coming year and thanked them for all their support to PA C.A.R.

I hope to see many of you at the Eastern Regional meeting June 29<sup>th</sup> and 30<sup>th</sup> **in Washington DC. Pennsylvania's Morgan Meer is serving as the Eastern Regional VP, and I know she will have a wonderful meeting planned to kick off America's Lasting Legacy.**

For anyone that still wants to buy T-shirts, pins or parrots please contact Everitt Meer or myself and we can fill your order.

Finally, thank you to Morgan Meer for a dino-mite year as she lead the PA C.A.R to Uncover the Past. With her leadership the Pennsylvania members were able to raise an incredible donation for Meadowcroft. The Pennsylvania society should be proud of all their hard work.

# Membership

Ahoy Mateys!

My name is Andrew Verish and I am excited to be serving as the State Membership Chairman this year as we *Treasure Our Veterans!*

I have been a member of the C.A.R. since I was four years old, about the time this picture was taken! I am now 11 and have my "sea legs" after serving as State Historian and Society President, and was proud to have been named as the Most Outstanding Member of 2017-2018 at State Conference.

As Membership Chairman, I will be presenting my contest at Summer Workshop and will be writing articles to help your society be "Shipshape."

Do you have a favorite way to bring in new "scallywags" to your crew? Please let this "Sea Dog" know so we can feature these ideas in a future article.

So, climb up to the "Crow's Nest" and use your spyglass to keep a lookout for all members to be onboard when we "Weigh Anchor and Hoist the Mizzen" for our 2018-2019 program year.

Let's yell, "Shiver Me Timbers!" when we see how many new members we have gained.

Andrew Verish  
State Membership Chairman

# State Project

Pennsylvania C.A.R. is truly excited to “Treasure Our Veterans” this year! The state society will be working towards raising funds for the Veterans Breakfast Club. The Veteran’s Breakfast Club is an organization that brings veterans together to tell their stories and share their experiences with others. This will be a service based project which the state will focus on raising funds to help veterans. At the breakfast club events veterans can be given the recognition and the chance to speak of their service, preserving history through their stories. At each of these events, a host walks through the room, encouraging veterans to share and heal in the process. The goal is to expand these breakfast across Pennsylvania and host the first breakfast in the eastern part of the state. The Pennsylvania C.A.R. societies help our project by coming these events and

handing out thank you cards to the veterans at the events. If you would like more information on hosting an event in your area, please contact Everitt Meet, State President or Mrs. Klee, Senior State President. We are honored to be a part of this project and look forward to “Treasuring Our Veterans@ with PA C.A.R. this year.

## America's Lasting Legacy: Honoring the Sacrifices of America's Veterans

This year our national project will focus on how the family is "America's Lasting Legacy".

For as long as history has shown there have been men and women that will rise up and answer the call to serve and protect the rights and freedoms of others. This year we look to honor these men and women not only through the monetary donations we raise but also through the service we do for our communities. Pennsylvania the national society has issued the challenge:

1. Raise money through the purchase of national product so we can make a donation to A Warriors Wish.
2. Get out into our communities and serve either veterans in our local areas or better our communities through our service hours.

So, Pennsylvania members I ask you how are you going to support **America's Lasting Legacy this year** and serve your communities. Make sure you send in your articles to the Kapers to let me know how your societies are serving. I know Pennsylvania members are ready to rise to this challenge and show everyone we support **America's Lasting Legacy!**

*Tuesday Tucks Me In* by Bret Witter  
A book review by PA State Librarian  
Kathryn Moran

The book *Tuesday Tucks Me In*, is a great book. The author is Bret Witter and the photographer is Dan Dion. This book is about a disabled veteran who has a service dog. The book details the average day for the two and how the dog, Tuesday, helps the soldier, Luis. They go everywhere together doing everything. Tuesday helps Luis get his shoes and socks on, and lots of other everyday things.

Tuesday also helps Luis get calm and ready for the day. The bond between these two is great and it is astonishing how much this dog can help out a person. I highly recommend that anyone read this book.

## Mountain Schools

Taylor Foley, State Chairman

Did you know that the Mountain Schools were started in remote places and where people lived in poverty because they had no jobs and there was no running water or electricity? The public schools were not easy to get to because the roads were so poor.

The Mountain Schools help children improve their life and help children whose families are having a hard time or children who suffer from dyslexia and cannot read. Each of the schools has a special program to help their children. These are the names of the schools: Tamasee, Crossnore, Hindman, Berry College, Hillside and Kate Duncan Smith DAR School.

We hope you will consider making a contribution to these wonderful schools this year with school supplies or a money contribution. See their websites for a list of school needs.

# Public Relations

Avast ye PA C.A.R. members!

If you didn't know, pirates were not very good at Public Relations. Instead of letting other ships know who they were and what they did, pirate ships flew a friendly flag on their mast. Another ship would approach them to say hello and then... BOOM! The pirates fired their cannons and hoisted their skull and crossbones flag right back up for a battle.

This year we want the PA members to, unlike the swashbucklers on pirate ships, be amazing at Public Relations and get the word out there about C.A.R. Ask your Seniors to help create a website or social media account for your society. Participate in community events and make flyers to hand out to the public. Most importantly, tell all your friends about C.A.R. and make your meetings super fun for prospective members!

The National Project, *America's Lasting Legacy*, also encourages Public Relations for this year. Societies are asked to complete service projects in their communities and help out veterans in unique ways specific to their areas. When you do your community service as a society, make sure to let people know about C.A.R. through your work. Wear your state or national t-shirts, contact local media, and spread the word about our National Project.

**Don't be a landlubber this year! Remember to promote PA C.A.R. and tell others about all our amazing adventures on the high seas!**

Morgan Meer and Anastasia Makanoff  
PA C.A.R. Co-Public Relations Chairmen

# Conservation

**Hello! I'm Holly Marx, your PA State Conservation Chairman.** Did you know that conservation means the careful preservation or protection of something? Conservation can work with a lot of things. When I hear the word conservation, I think of honey bees. I think of honey bees because they are super important pollinators for flowers, fruits and vegetables. This means that they help other plants and flowers grow! There are not a lot of them anymore, which is bad because we need these honey bees. Here are some facts about honey bees to get your mind buzzing with excitement for these little heroes. Did you know that honey bees live in hives? The hive consists of three types of bees: a queen, workers and drones. They all have an important role to play. Did you also know they produce honey as a food source for the hive during winter? Luckily for us, these buzzing little bees produce 2-3 times more honey than they need, which is great because then we can have a delicious treat.

Ways you can help-

1. Plant flowers the bees like
2. Don't spray your lawn with harsh chemicals
3. Leave a water dish out for the bees
4. Support local beekeepers
5. Create a habitat for native bees

## Submitting an article to the Kapers

# State Conference

This year's PA CAR Conference was held north of Pittsburgh and south of Erie (hey, I am from eastern PA and just know that it was a long car ride) on March 23 & 24. It always is great to catch up with fellow history lovers and patriots who I haven't seen for awhile. We celebrated Honorary State President Morgan Meer and her great year raising much needed funds for informational text and picture panels at Meadowcroft. Many awards were presented showcasing all the great work the many PA CAR societies have been doing over the last year. We had a fun and informational presentation about dinosaurs put on by educators from Carnegie Institute Saturday afternoon which was great, especially for our PeeWees. The conference capped off with our annual banquet Saturday night that included great food, the Tombola Table, silent auction and the ball.

Devon Heffner, State Chaplain

# State Conference

This year was my first year attending P.A.C.A.R. state conference and I had a ton of fun! At the conference I got to dress up for the banquet, participate in an archaeological dig, and attend a memorial service for WWI veterans. However, my favorite part of the conference was the meeting portion. Not only did I get to share what my society had done, but I got to hear about all the cool activities and projects other societies had worked on over the duration of the year. Also during the meeting, we got to listen to two different state project proposals and then vote on the candidate we thought should be our state president. All in all, I had a great time!

# National Convention

This year I attended my first National Convention and it was awesome! On Friday, I attended my first national campaign party. It was so much fun and there was a pirate ship bounce house! We as a state also had a nice lunch on Saturday where we had time to talk to old friends and make new ones like our new friends from Tennessee. Sunday, I got to go to Mount Vernon and see Washington's tomb, in addition to watching our Pennsylvania members and seniors get sworn in. For my first National Convention it was amazing. I will definitely go back next year.

## Conrad Weiser

On Saturday, March 10, 2018, local historian and Regent of the Berks County Chapter of the Daughters of the American Revolution presented a program at the Berks History

**Center about America's First Female Soldiers.** Several members of the Conrad Weiser Society attended the program as a joint "meeting" of ancestors of the American Revolution. In 1917, as the United States entered World War I, the Army realized it needed intelligent bilingual soldiers to skillfully operate the communication systems

in Europe. At that time, very few telephone operators were male. The United States Army then asked women to serve in those positions and almost 2,000 women applied for the jobs. Eventually 223 women were found qualified after tests and training, and were shipped overseas, many suffering from illnesses such as the influenza as well as the deprivations of serving near the Front. Once the war ended, these brave women were told that they never were in the Army and therefore did not receive any Veteran benefits. For more than 60 years they fought only to be recognized for their service and unfortunately for almost all of these First Female Soldiers, they had passed away before they were honored in the late 1970s. Members of the Conrad Weiser Society thoroughly enjoyed learning about America's First Female Soldiers as well as spending time with members of the Berks County Chapter of the DAR, and especially Regent Hallie Vaughan, whose four grandchildren are members of PA CAR.

### A treasure found on the Conner Farm

Preston, Haydon and McKenzie were surprised when the electric company digging for a new line discovered a foundation of an early American home! Their Grandmother, Phoebe Conner, remembers her father, Harvey Meyers, talking about the old homestead but never found out where it was located. September 17 meeting, Phoebe Conner showed us two pieces of pottery found in the area. When our meeting was finished The Conner's, Jeremiah and Alexander Runshaw went to the site to look around. Hayden found another piece of beautiful blue pottery.

Talk about uncovering the past!

McKenzie, Hayden Conner, Jeremiah, AJ Runshaw, Preston Conner at the Conner Farm

On October 15, C.A.R. meeting was held at Mrs. Gail Runshaw home. Our members each made a Colonial recipe. Jeremiah made Shoefly pie, Cara made Corn muffins, and AJ made potato balls. All the dishes were great! We used the DAR 2018 calendar to talk about Colonial clothing, and what a Fuzzywasit was used for.

A Fussywasit piece of cloth filled with herb, spices, lavender, etc. Everyone carried them. When talking to someone they would pass the Fuzzywasit back and forth from their noses. That was there was a pleasant smell. Also, we talked about the tools they used as we learned to Tin Punch.

Tin Punching was used on a pie safe to keep the Critters away from their baked goods. We also are working on Veteran children backpack for December and we are all working on Our Family trees.

## John Morton

The John Morton Society has registered as a partner to recognize the 50th Anniversary of the beginning of the Vietnam War. We always carry at least 3-5 car service stickers and pins with me at all times so we can recognize our Vietnam veterans and their service. Today we were lucky enough to meet Rick who works at Home Depot and present him with a pin and sticker and have a picture to say thank you He was so sweet and appreciate and honored that we recognized him. Meredith (in the middle) serves as the PA C.A.R. state Veterans Chairman.

Memorial Day

By Kathryn Moran

What a Memorial Day – flags were flying, bands were playing and Towamencin Society C.A.R. was marching. It is not just a day for barbecues, however, but a day for remembering those veterans who have served and died to protect our county.

After marching in the parade, we paid honor at the War Memorial in Lansdale Memorial Park and we also marked grave sites of our veteran ancestors with flags.

Baseball for the Troops by Emma Wassel, 14

On April 13, 2018 in sunny 80 degree weather, the Souderton Area High School varsity baseball team battled it out on the diamond with neighboring Dock Mennonite Academy from Lansdale, PA. Souderton Area High School won the showdown, but the real winners were Pennsylvania veterans. This game marked the 2<sup>nd</sup> annual veterans benefit game at Souderton Area High School. **The idea to host a veteran's benefit game was born last year when Towamencin Society C.A.R member Tommy Wassel, baseball player at Souderton Area High school, asked his head coach if he could coordinate a game that would honor and benefit area veterans.**

Tommy worked with another club at the high school, *Support our Troops*, to staff and support the event. *Support our Troops* designed a special t-shirt that was worn by the baseball team during the game. The specially designed t-shirts were also available for purchase. Tommy arranged for donations of food from Wawa, Landis Markets, Clemens Food Group, Herr's and Towamencin Beverage. Student volunteers staffed the snack stand where hot dogs, water, iced tea and chips were distributed, and donations were received. A local veteran-owned business also provided a Humvee to be on display during the game.

Tommy arranged for the opening ceremonies which included a color guard to "present colors", a student soloist for the national anthem, and the first pitch to be thrown out by local middle school baseball coach (and veteran).

Tommy invited veterans to attend through a local veterans group and the local American Legion posts. Any veterans in attendance were announced over the PA system. A small gift was provided to veterans in attendance by Towamencin D.A.R.

It was a nicely attended event with approximately 150 in attendance. All proceeds were donated to the "PA Veterans Foundation" which is a not for profit organization providing support to veterans in Pennsylvania. The organization founder and chairman, Michael Gould, travelled from Annville, PA to attend the event.

Tommy will be attending West Point this July.

We thank him for his service to his country.

A Visit to the Maryland Women in Military Service Monument

Holly Marx

Towamencin Society visited the Maryland Women in Military Service Monument in April on the way home from the National C.A.R. Conference. This monument is "dedicated to the women from the State of Maryland past and present, who have served our nation honorably and proudly in war and peace." Around the monument there were quotes by these men and women: "I have never considered myself anything but a soldier" – General Ann Dunwoody, First Female Four-star General; "Let the generations know that the women in uniform also guaranteed their freedom" - Anne S Brehm, ILT, Army Nurse Corps (WW II); "Duty, Honor, Pride. These words reflect the spirit of generations of American Women who have sought to defend the rights and freedom of others"- General Eric K. Shinseki, 2011.

Here are some notable accomplishments of Women in Military Service, found at the site.

"Although women have served as true volunteers in a variety of supporting roles during every armed conflict of the United States beginning with the American Revolution, some disguised themselves as male soldiers in order to contribute more directly."

"During the Civil and Spanish-American wars, the most significant contributions made by women were in the fields of health care and medicine. These contributions led to the creation of the Army Nurse Corps in 1902 and the Navy Nurse Corps in 1908."

"Harriet Tubman, born in Dorchester County, Maryland in 1849, is the first woman to serve with the Union Army as a nurse, spy and scout during the Civil War"

"During WWI the following numbers of women served in the various military departments: 21,480 Army nurse; 1,476 Navy nurses; 11,880 Navy enlisted women – Yeoman(F); 305 Marine women; and 2 Coast Guard. The Army also sent 233 bilingual telephone operators and 50 stenographers to France – all civilians."

"Following the attack on Pearl Harbor on December 7, 1941, Congress authorized the following components; Women's Army Auxillary Corps (WAAC), May 1942 (served with the army but not considered a part of the Army); Navy Waves and Women Marines, July 1952; Coast Guard SPARs, November 1942; and WAAC reestablished to the Women's Army Corps, July 1943."

"Military women during WW II performed duties across the United State and overseas as nurses, postal clerks, intelligence analysts, communication specialists, truck drivers, cooks, linguists, and much more. Of special note were a group of contract women pilots known as WASP's who ferried all types of aircraft across the United State relieving male pilots for combat overseas."

"Eighty-three women were held as prisoner of war in the Pacific Theater during WW II; 78 were held for nearly three years."

"The efforts of the women who served in WW II changed not only the place of women in the military services, but expanded the roles and opportunities for women in the civilian labor force as well."

"120,000 women served during the Korean Conflict with some 1,000 serving in theater and more than 500 Army nurses with "boots on the ground" in Korea."

"197,500 women, all volunteers, served during the Vietnam War; some 7,500 were stationed in Vietnam, most of whom were nurses."

"The first women generals were appointed on June 11, 1970. In 1980 the first women graduated from the United States Service Academies."

"In 2013 the Secretary of Defense officially authorized women to serve in combat roles."

Dear Friend of C.A.R.:

The **Eastern Regional Meeting** of The National Society of the Children of the American Revolution is being held at the Holiday Inn Rosslyn at Key Bridge, Arlington, Virginia, on June 29<sup>th</sup> and 30<sup>th</sup>, 2018.

The Eastern Region is comprised of the following states: Delaware, District of Columbia, Maryland, New Jersey, New York, and Pennsylvania.

We would like to offer gracious hospitality and seek your support as a Patron or Patrons. Cost of all meeting essentials has risen over the years. We ask your assistance to insure a successful Regional Meeting. Please, complete the form below and mail it along with your check. We will acknowledge your donation in our Program when received by June 8, 2018.

Your encouragement, interest, cooperation and financial support are greatly appreciated by the Members and Seniors of the Eastern Region.

Sincerely,

Holly Atherton Taylor  
Senior National Vice President Eastern Region
