President's Valor Verse

Hey There!! CAR!

WOW! What a great summer this has been!

We got off to Preserve Valor during many Memorial Day activities. Many C.A.R. societies across the state participated with the DAR and SAR in parades, memorial services and wreath layings.

June brought several societies to the Philadelphia Continental Chapter's SAR picnic. I presented both our state project and the national project, **The Pursuit of Happiness**. We also installed officers in the societies that were present at the picnic.

July brought us to Gettysburg where many 150th anniversary commemorations took place. Many thanks to the **Marsh Creek Society** for obtaining a place on the town square where we could set up and present our project on the George Spangler Farm. July also brought us to the Eastern Regional Meeting in Hagerstown, Maryland. We had a terrific time getting together with members from all the states in our region and enjoyed a visit to the battlefield at Antietam.

August brought us to our workshop in Hershey, Pennsylvania. Friday night was spent eating pizza, practicing skits and enjoying an indoor and outdoor pool for our pool party. Saturday morning we presented our projects and enjoyed all the officer and chairman skits up on a stage in a great room that was acquired for us. After the skits, we picked up box lunches from Panera and headed out to Hershey Park! We had an absolutely fantastic time at Hershey! The weather was great and the lines were "not too long!" We had a great buffet supper at the park and stayed until well after dark. Many thanks to the **John Morton Society** for setting up our workshop and making it absolutely unforgettable! A big round of applause to our **Workshop Enthusiast, Morgan Shadle, Presque Isle Society!**

Well, Summer's almost over and school will be starting again. Please stay active in your local societies and attend as many events as you are able.

Stay the course PACAR as we work to "Preserve Valor!"

Kyle Popielarski, State President

Senior President's Preserving Perspective

To All Those Who Pursue Happiness and Preserve Valor,

I hope you've had a fun and patriotic summer! I know many societies participated in activities over the Memorial Day, Flag Day and Independence Day holidays. I expect to be able to read about your exploits and see great pictures in the Keystone Kapers. Did you send news of all your C.A.R. activities to Ms. Pritchard? She doesn't know about them unless you tell her!! Be sure to send in articles and pictures about your activities for publication in the Keystone Kapers.

In addition to several local events, I had the honor of attending a number of very special events. On April 25th, I joined with State President Popielarski to represent the PA Society at the annual DAR State Conference which was held in King of Prussia. Then, drove across the state to meet State 1st Vice President Julia Teti and attend the SAR Annual Banquet on May 3rd. The C.A.R. highlight of my summer was a special Naturalization Ceremony that was held on July 4th at the Betsy Ross House in Philadelphia. 13 children were sworn-in as new citizens of this great country. I wonder what great things they and their descendants might accomplish!

State President Popielarski and several members of PA C.A.R. travelled to Hagerstown, MD for the Eastern Regional (ER) Conference on July 16 & 17. PA members served at the conference in several ways: Honorary State President Kathryn Turner served as the ER Chaplain and donned the C.A.R. Eagle mascot costume; Jessica Dodson was the ER Recording Secretary and stepped up at the last minute to fill-in and carry the NJ flag in procession; Julia Teti was the PA Flag Bearer; Michael Bucher was the bearer of the National Flag; Cameron Bucher served as the Personal Aide to Senior National President Hans Jackson; Emerson Sites-Byers also served as an Aide. I'm very proud of all the dedicated members that attended the ER conference and represented PA so well!!!

I'd also like thank the dedicated seniors that attended and lent their time and talents to making the conference a success. Jennifer Bucher and Amy Sites collected a mountain, literally, of picnic supplies from our generous PA seniors for our state donation to the ER silent auction. Their basket went for \$170 and helped the ER raise almost \$1,100 for the National Project!!! Thank you to all who contributed!!

As I write this, I'm still recovering from the PA C.A.R. Summer Workshop! The John Morton Society did an outstanding job as the host society. Our state officers and chairmen did an awesome job preparing their contests and promoting them with imaginative skits. When our business finished, we grabbed our lunches and made a dash for Hershey Park where we scattered to the 4 corners of the park and had some fun before supper. We came together at suppertime to share our adventure stories and State President Popielarski announced that Morgan Shadle of the Presque Isle Society was our 2013 Workshop Enthusiast. Congratulations Morgan!!!!

Once again, I can't thank the John Morton Society enough for all the hard work they put into setting up the workshop. I know how much effort these events take and appreciate their dedication to serve the members and seniors of the PA Society.

The 70th State Conference will be held on March 20 & 21, 2014 in Gettysburg, hosted by the Marsh Creek Society. More information will be available on the PA C.A.R. website and the details will be in the next issue of the Kapers. I look forward to seeing all of you there!

Pursuing Happiness and Preserving Valor,
Floyd Turner II, Senior State President

“Preserving Valor”

“In great deeds, something abides....
On great fields, something stays.”

This year marks the 150th anniversary of the Battle of Gettysburg. Most people know the general story about the battle and especially the story of Pickett's Charge, but not many people know the story of the George Spangler farm. During the Battle of Gettysburg the Spanglers would take in wounded soldiers from both sides of the battle. Some soldiers were lucky enough to heal thanks to the care they received from the Spanglers, but some were not so lucky. Both Confederate and Union soldiers healed and died next to each other on the George Spangler farm. This is a piece of history that cannot be lost and people need to be able to learn about, which is why it is the focus of our state project this year. We are raising funds for an interactive system to be installed in the restored Field House, so that this important piece of history does not get lost or drowned out by the more "popular" stories of the Battle of Gettysburg.

“Pursuit of Happiness”

Hello, PA C.A.R. Members! This is State First President Julia Teti here to enlighten you on little project that's happening in our nation: The National C.A.R. Project!! The National

Project for the 2013-2014 year is Student Veterans of America, which is a non-profit organization that provides educational scholarships and support to those veterans who are reentering the mainstream college life.

They build student centers to give the veterans a place to call home on campus, provide childcare and job counseling along with so much more to make sure that our nation's heroes get the support that they need

when returning to their schooling dreams. The nationwide project has over 750 chapters with a presence in all 50 state and 3 countries. The goal for this year is to get EVERY local SVA chapters, meeting with veterans, sending care packs to soldiers and much more!! The possibilities are endless!! As a proud member of C.A.R. and a college freshman, this is a very touching project to me and many of our older C.A.R members. Please do your part to make the Pursuit of Happiness a dream come true!!

Magazine Fund

You can help promote the *C.A.R. Magazine* by supporting the Magazine Fund! The State Magazine Fund's objective is to use the *C.A.R. Magazine* as a tool to increase membership activity and recruit new members in Pursuit of Happiness while Preserving Valor. Some ways to do this include becoming a "Life Promoter" and get the *C.A.R. Magazine* for life-long enjoyment, create a cover design of the National Project for the *C.A.R. Magazine*, design an advertisement to publicize the Magazine Fund Pin, honor a special person with a Magazine Fund Presentation or ask someone to present you a Magazine Fund Pin to commemorate a special occasion like your birthday!

Be sure to enter our State Magazine Fund contest before Christmas 2013! We need to have a winning entry from the member with the best original cover design promoting the National Project in time to submit to Keystone Kapers. There will also be winners selected for the best program promoting and largest donation to the Magazine Fund!

Three members of the Pennsylvania Society, along with DAR and SAR representatives from southeastern Pennsylvania, welcomed 13 children, ages 8 to 13, as new citizens of the United States and then conducted a "Let Freedom Ring" ceremony. The ceremonies were held on Independence Day at the historic Betsy Ross House in Philadelphia.

Each year, the U.S. Citizenship and Immigration Services selects 13 children to have the honor of becoming citizens on this day of celebration. For the past ten years, the DAR, SAR and C.A.R. have coordinated this special event.

Andrew Keates (John Morton Society), State Patriotic Education Chairman, and Jacob Keates (John Morton Society), State Tomb of the Unknown Soldier

of the American Revolution Chairman, provided the invocation/benediction and led the American's and C.A.R. Creeds. After the new citizens had been sworn-in, Andrew and Jacob led them in their first Pledge of Allegiance.

Honorary State President Kathryn Turner (Conrad Weiser Society) brought greetings on behalf of PA C.A.R. and congratulated the new citizens.

At the conclusion of the naturalization ceremony, Kathryn then conducted the "Let Freedom Ring" ceremony. The ceremony is a nationwide celebration of the 1776 signing of the Declaration of Independence, honoring those who sacrificed their lives and fortunes to gain our freedom. During the ceremony each of the newly naturalized citizens got to ring a bell for one of the original 13 states. After they rang the bell, each of the kids received a small American flag, one of the new National Project pins and a t-shirt.

On Saturday July 13, 2013, Michael & Cameron Bucher attended a meeting at the Fort McClure House in Bloomsburg, PA. Fort McClure Chapter DAR is considering reorganizing their former C.A.R. society and held an informational meeting to learn more about today's C.A.R. While there, they were able to meet some of the potential new C.A.R. members. After the meeting, tours were conducted of the Fort McClure House and a social was held.

On Sunday May 26th, members marched in the Memorial Day Parade in Montandon, PA. They handed out approximately 400 flags to parade attendees. After the parade they attended a memorial service conducted by the local American Legion.

Members attended the dedication of the Revolutionary War Monument by Tah Gah Jute Chapter DAR in Danville on July 14th. They carried the flags of the attending DAR chapters during the ceremony.

PA C.A.R. Summer Workshop

I was very excited for my first PACAR Summer Workshop as a Chairperson. I made new friends and got to see some kids I met before, especially Olivia and

Lucus, who are sister and brother living in Florida and members of the John Morton Society.

I presented my contest for the State Merit Award, which I hope everyone will participate in. After the meeting Friday night

we all ate pizza (yum) and went swimming (fun), and on Saturday we went to Hershey Park (crazy fun)! My favorite ride was the Super Dooper Looper. I went on Sky Rush and I'm still trying to forget it because it was REALLY scary.

Devon Heffner, State Merit Award Chairman

State President
Kyle giving the
State Report

This year's Eastern Regional meeting was especially exciting for this chairman as it was sandwiched directly between two other amazing tour stops. Held in Hagerstown Maryland, the town was full of charm and fantastic places to eat. The tour of Antietam Battlefield was interesting if a bit too hot for my liking. The carnival was my second favorite part with its bouncy castle and cotton candy. My favorite part of Eastern, by far, was our new unnamed Eagle friend! Apparently he was quite a hit, but we never seemed to be in the same place at the same time! Lucky for me I had already met him in New England. Hopefully Mr. Eagle and I can meet again at Nationals!
